Pursuant to 49 CFR 390.23, motor carriers and drivers operating a commercial motor vehicle to provide emergency relief during an emergency are exempt from 49 CFR Parts 390-399 for thirty days (until October 14, 2020) from the date of the Governor's Executive Order, dated September 14, 2020, under the following conditions and provisions:

- Regulatory relief for commercial motor vehicle operations is granted only in direct assistance while providing emergency relief. Direct assistance terminates when a driver or commercial motor vehicle is used in commerce to transport cargo or provide services not directly supporting the emergency relief effort.
- Regulatory relief does not extend to controlled substances and alcohol use and testing requirements (49 CFR Part 382), commercial driver's license requirements (49 CFR Part 383), financial responsibility (insurance) requirements (49 CFR Part 387), applicable size and weight requirements, or any other portion of the regulations not specifically authorized pursuant 49 CFR 390.23.
- Regulatory relief does not extend to provisions of 49 CFR 392 addressed by statutes to include: operating in accordance with state traffic laws and the driver's ability to remain alert, attentive and free of impairment, fatigue, illness, distraction or similar cause that would reduce the driver's ability to safely operate the commercial motor vehicle.
- 49 CFR Part 395 related to the preparation, retention and accuracy of a driver's record of duty status (RODS). Drivers are directed to note "Emergency Declaration" in the remarks section of the RODS to identify that their operation is in direct assistance to the emergency relief.

Intrastate carriers may report recordable crashes to FMCSA but are not required to do so.
- Motor carriers or drivers who are directly or indirectly subject to a current Out-of-Service Order are not eligible for the relief granted by this declaration until they have met the applicable conditions for the order's rescission and the order has been rescinded by the Florida Highway Patrol, the Federal Motor Carrier Safety Administration, or the jurisdiction that issued the Out-of-Service Order, whichever is applicable.
- Drivers operating commercial motor vehicles for the motor carrier operating under this declaration must maintain a copy of the declaration in their possession.

Upon return to the terminal or other location, the driver must be relieved of all duty and responsibilities.

- Upon termination of direct assistance to the emergency relief effort, no motor carrier shall require or permit any driver used by it to drive, nor shall any such driver drive until the driver has met the requirements of 49 CFR 395.3(a) and (c), and 49 CFR 395.5(a) for interstate commerce and s. 316.302, Florida Statutes, for intrastate commerce.
